WaggleKin: CJdropshipping Product Check

Checked: 11 November 2026, live from your CJ account (read-only: nothing ordered, paid or published) **Margins** = retail − CJ unit cost − cheapest reasonable shipping, **before** payment fees (~3%), ads, returns and tax.

> **How to read stock:** "CN" stock is mostly the factory's. "US / DE" stock sits in CJ's local warehouses and ships in 3–7 days. China parcels take **4–11 days**. Some checks weren't run (marked *not run*); nothing below is guessed.

Backups and notes per product

1. **Bed.** The US-warehouse donut bed ($50.99) leaves no margin, so use China stock.
   - Backups: EU-warehouse bed (3.63–4.96, *stocknotchecked*); *calmingcuddlerpid*211895809515239424 2(27–65).
   - The chosen bed has **no reviews yet**, so order a sample.
2. **Brush.** The cheapest one is a basic plastic comb, hard to sell at $19.99. Better options:
   - Double-head slicker brush ($2.85–3.44, 1,544 stores, 5★). Contains batteries, so shipping costs more.
   - US-warehouse brush pid 2079054336562954242 ($9.00, 32 in stock).

3. **Fountain.** Neither listing was confirmed as **USB-powered**; check before listing.
    - EU backup: pid 2039607011944034306 ($21, DE 139).
    - **No source yet for UK, Australia or Canada.**
4. **Lick mat.** Shipping eats most of the margin. Options:
    - Sell a **3- or 4-pack**, or bundle it with other items.
    - US option: 4-zone suction lick mat ($13.20, US 116), which leaves ~22%.
5. **Feeder.** Shipping a 2.5 kg electronic item from China costs more than the margin. The only US-warehouse timer feeder (pid 2117521768738557953) costs $65.02. Options:
    - Raise the price to ~$99.
    - Submit a CJ **sourcing request** for a lighter feeder already stocked in the US or EU.
    - Drop the feeder at launch.
6. **Wand.** Check pid 2066083782535602177 and compare a refill bundle. Similar-weight items cost ~$6 to ship to the US.
7. **Cooling mat.** The popular China listing is an ice-silk fabric mat, not pressure-activated gel. US gel options:
    - pid 2117537570760896514 ($24.25), about 31% margin
    - 120×70 cm pid 2110997964575920129 ($26.29, US 10)

    Consider raising the price to $39.99.
8. **Bottle.** It's a 3-in-1 (also holds poop bags). Adjust the product name and photos to match.

Gaps

- **UK, Australia, Canada: no local CJ stock** found for any of the 8 products. Everything ships from China in 4–11 days. Syncee is the plan for Australia and Canada (see `suppliers-by-country.md`).
- **Local CJ stock found:** only the fountain (US, DE), the cooling mat (US) and backup brush/lick-mat/feeder listings (US).

Next steps

1. Order samples of the **bed, the double-head brush, the bottle and both fountains**.
2. Decide on the **feeder**: raise the price, submit a sourcing request, or drop it.
3. Finish freight checks for the **wand, cooling mat and lick mat**, and AU/CA freight for everything.
4. Look on Syncee for UK, Australian and Canadian fountain sources.
